

SALT SOAP BARS

Salt soaps are suitable for washing both face and body and are not only suitable for cleaning impurities, but also for effectively removing the smell of sweat, for example. Salt soaps have moisture binding effect on the skin.

TEA TREE OIL

Salt soap containing tea tree oil is especially suitable for oily and combination skin. Its antibacterial properties help neutralize impurities.

PEAT

Peat activates blood circulation, deep cleanses, maintains the skin's moisture balance and balances skin function. The peat salt soap is particularly suitable for dry skin.

THE NEW 100% BIODEGRADABLE SOAPS IN BAR FORM ARE ECO-FRIENDLY, VEGAN AND CHEMICAL-FREE. NO PLASTIC IS USED IN THE PACKAGING.

SOAP BARS ARE EXTREMELY LONG LASTING. 1 BAR EQUALS THREE AVERAGE BODYWASH BOTTLES.
